EXPO-NET REACH COMPLIANCE DECLARATION

Please be advised that as a downstream user, EXPO-NET Danmark A/S can, if requested, confirm that the substances present in the products currently being supplied to you are pre-registered or will be registered under REACH by the deadlines required.

Neither EXPO-NET nor our suppliers add any of the substances listed in the European Chemical Agency's Candidate List of Substances of Very High Concern, as is in effect on date of this document, to our products. Furthermore, there are not any such substances present in the products above the applicable threshold (0.1%).

If you have any questions, please contact the undersigned at +45 98922122 or by e-mail at plast@expo-net.dk.

Best regards

EXPO-NET Danmark A/S
